The Honorable W. Marvin Watson
The Postmaster General
Washington, D. C. 20260

Dear Marvin:

We fully appreciate the scope and significance of the problems faced by your Department and especially by the main Post Office in Washington. Although the Agency introduces relatively little mail into the Post Office system, and most of that is mailed outside of Washington, I have issued instructions to ensure Agency adherence to the suggestions contained in your letter of 3 September 1968. A copy of the paper you requested is enclosed.

Sincerely,

/s/ Richard Helms
